

Leaders in Training

Registration Information

Friends,

Thank you for your interest in participating in the most exciting youth leadership development program in the Diocese of Spokane. This year, we will continue our commitment to providing the best counselors possible for our camps, with special focus on the following:

- Small group leadership (activities and discussion)
- Mentoring and role modeling (beyond just good behavior)
- Being passionate, engaged, and observant counselors

The Leaders in Training, May 31-June 2, will be an intense and challenging weekend, packed with training and practice, as well as program development. Due to counselor positions being in high demand, and our need to maintain an effective counselor/camper ratio, attendance at LIT does not guarantee a week as a counselor. To that end, we ask that all participants be ready to give their best that weekend so no one's diverse talents abilities are shortchanged.

Please, sign up today for this incredible opportunity to not only to share your passion for Christ, your talents, and your leadership with the youth of our Diocese, but also to develop your own spiritual and professional leadership skills. I am eagerly looking forward to working with the most passionate and skilled counselors yet at Camp Cross this summer, see you at the dock!

Peace,

Chase Shields, Director
